

THE UNIVERSITY OF IOWA COLLEGE OF PUBLIC HEALTH

A GOLDEN OPPORTUNITY

Professor and Department Chair

The Department of Occupational and Environmental Health invites applications for Professor and Department Chair.

The Department of Occupational and Environmental Health has 14 primary faculty who serve as principal investigators on over \$11 million in research awards per year.

Home to five centers of excellence, faculty in this interdisciplinary department conduct research in a variety of areas and enjoy collaborations from around the world.

We take pride in training the next generation of public health leaders who are passionate about making a real difference. Our college is among the top 10 publicly funded Colleges of Public Health in the country.
